

Job Posting: Student Assistant Green Logistics (m/f)

The Studiengesellschaft für den Kombinierten Verkehr e.V. (SGKV) is looking for a student assistant (m/f) to work on the SGKV Intermodal Map as soon as possible.

Begin immediately | approx. 15 hours per week (12,96 € / h)

Your responsibilities:

- Support research projects, including conducting research, reviewing satellite imagery, and performing online desktop research.
- Involvement in contracted activities as well as in day-to-day processes.
- Reviewing satellite imagery and adding new datasets with:
 - Creation and maintenance of databases
 - Work in Microsoft Access, HTML, CSS

Requirements:

- Studies continue for at least three more semesters.
- Independent and reliable, high degree of commitment, solution- and result-oriented working approach.

We are offering an opportunity to:

- Gain experience in scientific work in a dynamic research field.
- Get insights into practice-oriented research.
- A diversified set of activities.
- Work in a pleasant and motivating workplace environment.
- Network with top players in logistics through our members.
- Also work remotely.

Application procedure:

Please send us your detailed application documents in an electronic format to sgkv@sgkv.de with the Subject: Application for student assistant. For questions, please contact Mr. Matthias Plehm (+49 30 206 13 76 11).
